

## Order Form – additional Ziber Zone

### Customer details

School / childcare centre / daycare: Contact person: Address: Postal code: City:	Phone: Mobile: Email address: URL:
----------------------------------------------------------------------------------------------	---------------------------------------------

Indicates via this form that an additional Ziber Zone (of the Customer itself) is allowed to share information via Ziber Team to one of the Ziber communication channels to which the Customer has a subscription. This enables the additional Ziber Zone to reach parents who are active within the Customer's organisation. This additional Ziber Zone remains connected until termination or until the Customer's Ziber subscription is ended.

### Details of the "additional Ziber Zone"

For example: the parent council, the participation council, student editorial team, childcare organisation, library, collaborating schools, etc.

Name of the additional Ziber Zone: Name of the administrator: Email address of the administrator: <i>If the additional Ziber Zone does not yet exist and/or does not yet have an administrator account, Ziber will create it and invite the administrator by email.</i>
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Your subscription

If my current Ziber subscription is not sufficient to enable the above-mentioned additional Ziber Zone, I would like to upgrade our Ziber subscription with this option so that the additional Ziber Zone can be created immediately; per student per year

**Ziber Zones (max 5)** - Additional Ziber Team Zones for parent council, participation council, etc. (GDPR-proof) € 1,81

### Privacy consent

The additional Ziber Zone does not have access to data within the Customer's Ziber Zone, with the exception that group names, children's names, and parents' names are visible, in order to allow information from the additional Ziber Zone to be shared with parents in a correct and secure manner. The Customer acknowledges this, as well as the points below, and agrees to them;

<input checked="" type="checkbox"/> The extra Ziber Zone may share info via the Customer's channels	<input checked="" type="checkbox"/> The customer can withdraw this consent at any time.
<input checked="" type="checkbox"/> The extra Ziber Zone can view the names of groups, children, and parents	<input type="checkbox"/> The additional Ziber Zone has no access to other information within the customer's Ziber Zone.
<input checked="" type="checkbox"/> Parents always see the source with the information (name of Ziber Zone).	

The Ziber Customer Terms of Ziber BV apply to this subscription. The customer declares that they have read and accept these terms. The current version can be consulted at [legal.ziber.eu](http://legal.ziber.eu). Prices as of 04-07-2026, excluding VAT and subject to product and price changes.
